THANK

YOU

So far, with your support, this academic year we have raised £8249.42 for our school!!

This is absolutely fantastic and will have such a positive impact of our children's school experience.

Looking Ahead: 2024/2025

This term we will continue to focus on our exciting fundraising goal: Enhancing music education across the school.

We will raise funds to purchase new musical instruments for all year groups, providing children with even more opportunities to explore and develop their musical talents.

There's lots more to look forward to this summer term with fun events including the fun packed Summer Social , Non-Uniform Day and Tuck Shops.
